### IN USA:

E-R, R-E Glossary of Military Terminology,  
TM30-544, 1955

- 2 -

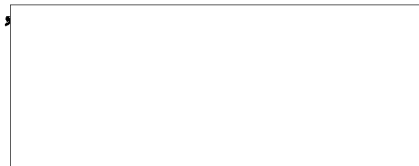

We have extensive materials (printed sources and card files) accumulated over 25 years that cover the above subjects. Our science-and-engineering dictionaries published over the last 25 years (see circulars) have been used throughout the world.

We can submit a more or less detailed plan for the above

RUSSIAN-ENGLISH MILITARY ENGINEERING DICTIONARY.

We could compile and publish such a dictionary for the US Government.

Yours very truly,

STAT
